Priyantha's message:

I have posted my CV online on Bayt.com and am writing to ask whether it would be possible for you to provide a recommendation for me on my CV?

I am in the process of seeking employment and a positive reference from you would enhance my prospects of achieving my career goals. If you are able to attest to my qualifications for employment and the skills I attained, I would sincerely appreciate it.

Please let me know if there is any information I can provide regarding my experience to assist you in giving me a recommendation.

Thank you.

Capt. Priyantha Dias

Capt. Priyantha Dias is known to me for a period of over 10 years as a fellow lecturer in the University of Moratuwa, Sri Lanka, where a Diploma Course in Nautical Studies is conducted to train students to become Officer in charge of a navigation watch. Capt. Dias is very competent in his work and in the subject area he taught, displayed exceptional intellectual and analytical ability and was willing to help others. The team of Master Mariners, including Capt. Dias, brought the university course to a high standard and repute. I wish him success in his future endeavors.
